## NIGHTGARDEN

Friday from 18:00hrs

Take a step into the Nightgarden, a fantastical environment of electro landscapes and digital botanicals. Designed to disorientate and delight. Nightgarden combines food, drink, art and performance, where nature meets technology head on.

Running every Friday night Nightgarden sees the venues furnace room transformed into a 'glitch forest' with large-scale video projections sitting alongside towering trees and verdant plants, creating a playground for drinking and dancing.

## NOTES

If you have any allergies, intolerances or dietary requirements please speak to your server.

Please note that service is not included.
