Save time, order by phone. If you are not too far away we will deliver.

We cater for buffet lunches and office functions from £8.00 per person.

COFFEE

We worked with our coffee roasters to develop our own blend using AA grade Arabica high grown beans from South America, Africa and Indonesia. We add enough Robusta beans to give you the taste of Italy, roasted to a medium/dark colour to give a full fruity/sweet flavour. Beans are ground to order and are less than ten days old.

All available decaffeinated.
