ABOUT BOMA

We are Boma. An independent group of neighbourhood restaurants with a focus on great hospitality, wonderful food and being an important part of the local community. Our organic growth has blossomed by building relationships with everyone around and involved in our business.

We work very closely with our suppliers to make sure that everything they do, goes into everything we do, so we have them to thank for a lot. Check out our partners and affiliates below. If you'd ever like more information, drop us a line – info@bomas.co.uk
